

MICHIGAN DEPARTMENT OF STATE
CANDICE S. MILLER, Secretary of State

Lansing, Michigan 48918-0001

March 31, 1999

Michigan Authentic Historical plates are not maintained on the Secretary of State main computer. This is due to the likelihood that these plates would duplicate current Michigan plate configurations.

Law enforcement agencies that wish to receive information on this type of plate will have to send an administrative message to the Secretary of State via the "Law Enforcement Information Network" (LEIN).

If you have any further questions, you may contact me at (517) 322-1166.

Sincerely,

A handwritten signature in cursive script that reads "John Osborn".
